Faculty of **ART & Design**

Faculty Overview

The Faculty of Art & Design at Innovation University was established by Presidential Decree

No. 634 of 2021. The faculty aims to provide high-quality education in art, design, and architecture, aligned with international academic standards and industry needs.

LEARN,

Evolve,

Innovate

Educational Approach

The Faculty operates under strong academic and ethical values including:

- ◆ Academic integrity and professionalism
- ◆ Transparency and fairness
- ◆ Respect for intellectual property
- ◆ Teamwork and belonging
- ◆ Encouraging creativity within quality standards

A black and white photograph of a hand holding a pen, drawing on a large sheet of architectural blueprints. The blueprints show various floor plans and structural details. The hand is positioned in the lower right, with the pen tip touching the paper. The background is slightly blurred, showing more of the blueprints and the hand's arm.

Our Academic Programs

The Faculty offers the following programs:

01 Interior Design & Furniture (ID)

Designing functional and aesthetic interior spaces and furniture solutions.

02

Product Design (PD)

Creating innovative products and user-centered solutions.

03

Advertising (AD)

Developing creative campaigns and brand strategies.

04

Photography, Film & Television (PF)

Visual storytelling through photography and media production.

05

Fashion Design (FD)

Creating fashion collections inspired by trends and culture.

A hand-drawn graphic design workspace. In the top left, a bundle of colored pencils is visible. A large color palette with various color swatches is spread across the center. A hand holds a stylus over a tablet device. In the bottom right, a portion of a keyboard is shown. The entire scene is overlaid with a semi-transparent blue filter.

06

Graphic Design (GD)

Visual communication through branding and digital media

Admission Requirements

The Faculty accepts students from:

- ◆ Egyptian General Secondary (Scientific & Literary) and equivalents
- ◆ Technical diplomas (with approval)
- ◆ Transfer students (after equivalency)
- ◆ International students
- ◆ Bachelor degree holders (after aptitude test)
